

My dear Magni:

I have reserved a room for you at the "Wisconsin Memorial Union, University of Wisconsin, Madison 6, Wis." for the nights of October 4, 5, and 6. I am sure you will find this conveniently located (right on campus), comfortable and reasonable in price. There is a heavy demand for rooms the 6th of October because of a football game here-- if you had not planned to stay over on Saturday night, please let me know, or write the Union directly, so the room can be released.

If you will call me from the airport to the lab. - Ext. 4610, Alpine 5-3311, we can meet for lunch and arrange whatever other plans you wish. The limousine can bring you directly to the lab & I will transport you back to the Union afterwards. Ask for the Genetics Building on the Agriculture campus, off University Avenue, 2 blocks west of Randall.

Yours sincerely,

Joshua Lederberg
